

HB 492 -- ETHICS

SPONSOR: Bondon

This bill requires specified persons or entities making campaign finance independent expenditures on candidates or ballot measures to electronically file reports with the Missouri Ethics Commission if they make an expenditure in excess of \$5000. The reports will be available to the public and must be filed within 48 hours of the expenditure. The commission is granted rulemaking authority to implement the bill.

The bill is effective January 1, 2018.
